

6:00 PM – Call for Meeting & Attendance

Guest Speakers [None]

New business

6:05 PM – **[Discussion]** Thank you Video to Faculty, Admin, and Staff (10 min)

- Spirit of season of giving thanks and as a generally kind gesture, want to make a quick video showing appreciation of student leaders to everything administration has helped us with and accomplished so far
 - Dean Sakr especially is working super hard
- Short, little surprise thank-you video
- Every senator can submit a short video just saying nice things
- Tech with subtitles and things to put together the video?
- Folder in the google drive
- Collection phase → until thanksgiving
- Limit to 20-ish seconds per person
- Group video at the end saying THANK YOU!!!!

Old Business

6:15 PM – **[Presentation]** Student Social Justice in Medical Education Coalition Updates (20 min)

- Post-CMC membership meeting and additional details involved in this presentation
- SJMEC was established in 2020 in response to a community needs and assets assessment performed by the IJI, with the purpose of removing and revising racism in medicine, social justice, diversity and equity
- A new entity was deemed necessary for this curriculum overhaul project
- Previously met 1-2 times per month as a coalition and more often as needed with regular meetings with Dr Rajasekaran, but now have monthly meetings with Dean Roy
- Essentially want a more formalized structure for these revisions
 - Clinical skills, P4 review, basic sciences/UME curriculum review
 - Microaggression training
 - Development of social justice core competencies
 - Additional iterative workshop/training for basic science faculty on creating content in an anti-racist light
 - Formal reporting system for curriculum related JEDI issues
 - Establishment as permanent subcommittee of CMC
 - Long term goals
 - Build out social science curriculum across all four years
 - Positive social justice faculty development
 - Increase D&I of visual images around the school
 - Leadership roles
 - Lead facilitator x2, secretary x1, SJW coordinator/strategic planner x3, CMC representative x2, student body liaison x2, research coordinator x2,

- There is a prewritten guide of how to approach curriculum to find potential issues and make changes/revisions to it
- Just need bodies at this point and people willing to help out
- Faculty advisor is Dr Rodrigo Andrade
- Potentially revise the SJW title to something different
- Could implement this into Curriculum committee?
 - But its a large workload to add onto those on the curriculum committee already
- This will be a free-standing committee, not integrated under another one

6:35 PM – **[Presentation]** Women in Medicine Task Force Updates (20 min)

- Getting a more formal parental leave policy is first goal
- All details of this policy provded in a written report to present to the IEC

Executive Reports

6:55 – **[Treasurer]** Conference Fund Approval (5 min)

- Want 1000 dollars to help fund their trip for 4 of their executive board members
- AMA has been encouraging students to attend without participating or presenting too, so not everyone is going because they MUST
- We as senators have to be pretty serious about who we give money to
- Do we have precedent for sending money to these conferences for such a small number of people?
 - Form has only ever been filled out by AMA, gave 500 dollars last year
 - The two national delegates get funding from the AMA for these conferences already, don't know if they're involved in this trip
 - This is only the 4 members that haven't gotten their costs covered, don't know if more are going and COULD cover their costs
- Also have to consider that there are defined pockets of money from other offices that will not fully cover the cost of trips like this but are definitely there to help – most things/trips like this for students are not completely covered
- Motion to table until we have more details, passed

7:00 – **[BSO Pres]** New Orgs and Ethnic Fair Updates (5 min)

- For new student orgs, we have two new ones → hospice/palliative interest group and Geriatrics interest group
- Ethnic fair → Art in medicine is doing a TON for this, feel free to participate it's going to have tons of activities and decorations

Committee Reports

7:05 PM – **[Peer Mentor]** Group Meetings (10 min)

- Group names were devised such as the hemoglobetrotters or the ghrelin gremlins
- Ice breakers, fun questions, etc

7:15 PM – **[Social]** Gala Contract (15 min)

- Contract has been received but not reviewed
- Have to deposit 2500 dollars to hold our spot
- Can buy into an open bar for 28 dollars
- Cancellation clause: We lose all monies paid or to have been required to be paid per this contract
- This contract will be reviewed by real lawyers
- Still need to vote on a theme, will do a schoolwide survey
